

Know Your H₂O

Did you know...

Windermere Water & Sewer Company

has had a perfect record of water purity since they were first certified by Interior Health in 2009, and their water is **3 times cleaner** than current Interior Health standards require?

Windermere Water & Sewer Company

is committed to being transparent and welcomes your questions, your concerns and your comments. Stop in for a tour, call or email us. Visit us on online at www.windmerewater.com
